

THEY ARE COMING FOR OUR CHILDREN

Before Taking Your Child For An Irreversible Injection, IT IS YOUR DUTY OF CARE To Familiarise Yourself With The Content On This Flyer

- With a 99.998% survival rate, children have a near zero risk of dying from Covid. Despite this, massive efforts are underway to ensure every child is given the Covid injection.
- The Therapeutics Goods Administration (TGA) has granted 'provisional approval' for the Covid Injections, recently lowering the age of approval to 12. 'Provisional approval' is an exception made when there is a state of emergency, consequently - have you noticed that we are in a perpetual state of emergency?
- This injection is still in the experimental phase - anyone (including your children) who has it is part of the trial.
- There is now talk of Moderna 'triallying' the Covid injection here in babies as young as 6 months old.
- We know that the injection neither prevents transmission, nor provides immunity and has been causing many deaths and adverse reactions around the world. And no-one knows the long-term side effects.

WE NEED TO STAND UP & PROTECT OUR KIDS! THIS IS OUR JOB AS PARENTS! WE NEED TO DEFEND THEM TILL OUR LAST BREATH!

Many esteemed doctors, scientists and industry whistleblowers who are at the top of their game and were highly respected prior to Covid, have been attempting to warn humanity of the dangers of the vaccine and the narrative around it. These doctors and scientists have nothing to gain from sharing their truth - but everything to lose - funding, careers, reputations.

The Government has been doing EVERYTHING in their powers to silence them through extreme censorship and smear campaigns, speaking volumes on how desperately they don't want their agenda jeopardised.

On main stream media we are seeing the most obscene advertising, fear-mongering campaign in the history of man, from the manipulation of numbers and non-existence of perspective giving, to the suppression of important information such as other scientists views, effective medicines and actual deaths and adverse reactions as a result of the injection.

Despite the very real harm the injection is causing, the level of coercion is extreme with threats of a Vaccine Passport and mandating it in various sectors - e.g. no job - no work/school/travel etc.

And now they come for our children!! WE CANNOT LET THIS HAPPEN!

Coercing a population to participate in an experiment is called Government and Medical Tyranny.
