LOCKDOWNS IN LOCKSTEP

- Lockdowns continue in communist controlled Sydney.
- Residents unable to go to work without getting the unreliable PCR test.
- Doctors and hospital appointments postponed.
- NSW to start jabbing kids. (Scan QR code bottom left)
- Record crowds attend nationwide, and worldwide Freedom Rallies.

We have tolerated a minority group of elites who live by their own set of rules, and who think they know what's good for us while we obediently abide by their continuing and increasing restrictions. Ask yourself, how come the Olympics are on if there's a deadly pandemic?

How come you can take your mask off if you're sitting down, but not standing up? It's like you must be this high to ride the covid coaster.

It is time to END THIS MADNESS

- 1) The CDC has acknowledged Covid deaths in the US were exaggerated.
- 2) The CDC has acknowledged that the PCR test cannot tell the difference between covid and the flu. (Scan QR code bottom right)
- 3) Take off your mask and free your face! Our lungs are not designed to breathe expired air. You will get sick from prolonged mask wearing.
- 4) Stop voluntarily signing in everywhere. You don't have to. Just say NO!
- 5) Enjoy life to the fullest. Laugh, embrace family and friends, sing, dance and cheer.
- 6) This only ends when we make it end.
- 7) If you believe an experimental jab will get us back to normal you were never normal.

If you stop getting tested,
Covid will go away.
